Popis

Jemné kožené barefoot sandálky Froddo jsou ideální volbou pro první krůčky i teplejší dny. Lehká a masivnější podšívka kopíruje respektive přizpůsobí tvar dětské nohy a umožňuje její zdravý vývoj bez zbytečného omezení. Díky otevřenému střihu jsou krásně vzdušné a zároveň poskytují potřebnou ochranu prstů. Světlé a měkké přirodní kůže je velmi příjemná na dotek a přizpůsobí se noze. Dva tuhá zápy umožňují snadné obouvání i ideální dotažení kolem nártu a kostičku vyplněný střih, šicí šapka, více prostoru pro prsty, vhodné i pro vysoký nártůčkový miminek a malých dětí jsou zabalené jako v profesionální obuvi, vyrobené ze speciální antialergické, měkké kůže Ecoepel, bez chromátových látek a vybrané v italských výrobních rostlinných barviv z dřeva a rostlinných materiálů. Velurová kůže, která se velice dobře udržuje díky z mikrovláken vyrobena z guma, nepoužívá žádný český a slovenský trh jsou to prostředky firmy Colson z Itálie Organic. Které jsou bez chemických látek www.colson.cz Dále je možné použít i jiné přírodní prostředky vhodné k péči o kožené materiály.
